APPLICATION DEADLINE: April 1, 2019

Exhibition Title: Re-constructing Climate Change

1 : a scenic representation in which a partly translucent painting is seen from a distance through an opening. 2a : a scenic representation in which sculptured figures and lifelike details are displayed usually in miniature so as to blend indistinguishably with a realistic painted background.

Open to all artists.

To Apply

1. Complete the Entry Form
2. Submit entry fee of \$15. Cash, or check.

Deadline:

Entry Deadline is April 1, 2019

Re-constructing Climate Change

How is climate change affecting you? Your community? The world around you? What ideas do you have to create positive change?

We don't want to hear your ideas, we want to SEE your ideas!

At the Root has teamed up with 350 VT to creatively address climate change and honor Earth Day.

Make a diorama about the causes, effects, or ways to remedy climate change in our world. Dioramas can be any size up to 4'x4'. Submissions are due by April 1st by attherootvt@gmail.com

There is a submission fee of \$15, and all dioramas may be sold, with 50-100% of the proceeds donated (all proceeds are split between At the Root and 350VT). (Dioramas should be 25 lbs or less, or be created to be shown on a pedestal if over 25lbs)

Submission forms can be downloaded at: <https://goo.gl/forms/TeYvu6j84pmFnIcI3>

The final show will be on Thursday April 18th at the Hive on Pine St, from 6-9pm. A representative from 350 VT will be onsite with some experiences from the Climate Walk, April 5-9 and to share ways you can get involved.

Contact jen from At the Root for more information. attherootvt@gmail.com

Please complete and return the entry form to **At the Root** via email or in person. Methods of payment include cash and check. Checks should be made payable to At the Root. No refunds will be given if you choose not to participate, do not complete a piece on time. Please include a tag with your name on your piece.

SUBJECT MATTER: This is an opportunity for you to get creative, and 3-D, about your views on the cause, effects, and future of climate change. It can be scientific, political, specific or broad. We hope it will be educational. Re-purposed materials strongly encouraged.

RECEIVING: Artwork must be dropped off on April 13th & 14th. Drop-off hours will be announced closer to the weekend. Drop-off location will be at the Hive on Pine St.

DISPLAY: There will be a formal opening on April 18th, from 6-9pm. All art will be on display that evening, and available for sale.
